

## THE NETWORK

The New York State LGBT Health  
& Human Services Network

### WHO WE ARE:

72 Organizations & Programs

Reaching over 1.5 million  
LGBTQ New Yorkers annually

The Network provides services to member organizations including networking opportunities, connections to elected and appointed government officials, technical assistance and facilitated collaboration space.

#### COMMITTEE STRUCTURE

The Network consists of eight committees and one advisory board, which meet monthly to network, collaborate, share resources and determine strategies to advocate on behalf of LGBTQ New Yorkers.

#### TECHNICAL ASSISTANCE CONFERENCE

This skill-building conference helps Network members strengthen their organization's impact by providing technical assistance and capacity-building trainings.

#### FUNDING ADVOCACY DAY

Each year, Network members hold issue-specific meetings with state agencies as well as elected and appointed government officials to ensure funding for their work continues and that LGBTQ cultural competency is incorporated in agency work statewide.

#### NETWORK RETREAT

This annual event builds deeper relationships among Network members, the coalition and its administering organization, The Lesbian, Gay, Bisexual & Transgender Community Center of New York City.
